VELUX translucent pleated blind FHL.

3 Year Guarantee

VELUX translucent pleated blinds provide an increased feeling of privacy and elegant lighting effects that bathe your room in pleasant, soft light. The convenient 'flying' blind unit can be positioned anywhere in the window to adjust the amount of incoming light while still allowing for a view of the outside. VELUX translucent pleated blinds are available in a wide range of colours and styles.

- Increase your privacy, reduce unwanted glare and control incoming sunlight exactly as you like.
- Standard 100 by OEKO-TEX® certification guarantees the product is made without harmful substances.
- A flying design lets you position the blind exactly where it is needed in the window while still letting light in.
- Slimmest profile design on the market lets more natural light in.
- Install in minutes - simply click on the blind in the pre-fitted brackets.
- Stepless positioning allows you to lower the blind to exactly where needed.
- Pull the blind easily to any position with the integrated control bar.
- Integrated side rails provide smooth operation.

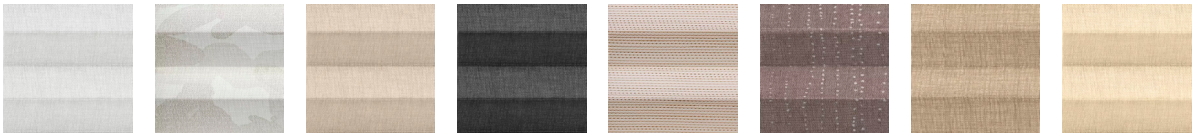
Colours and patterns

VELUX interior blinds are available in a wide range of colours and designs. However, a few blind variants are only available in a limited range of colours. Each colour and design option has a unique code. Add the code of your choice to the relevant blind type when ordering your products.



1016 1256 1259 1274 1275 1276 1277 1278

1279 1280 1281 1282 1283 1284 1285 1286

Operation guidance

The single-pleated blind is not fixed at the top, so it can be positioned anywhere on the window by adjusting the control bars at top and bottom.
