VELUX translucent roller blind RHL.

3 Year Guarantee

The VELUX translucent roller blind with hooks is the easiest way to increase your privacy and control incoming daylight. Three convenient hooks allow the roller blind to be placed in pre-defined positions to diffuse incoming sunlight or provide privacy. The VELUX translucent roller blind with hooks delivers basic light adjustment and privacy in rooms where total blackout is not needed.

- Increase your privacy, reduce unwanted glare and control incoming sunlight exactly as you like.
- Install in minutes - simply click on the blind in the pre-fitted brackets.
- Simple three-step positioning delivers basic privacy and light adjustment.
- Manually operated blinds are a great choice for windows that are within reach.

DSP Interior blinds en-GB - Approved

Colours and patterns

VELUX interior blinds are available in a wide range of colours and designs. However, a few blind variants are only available in a limited range of colours. Each colour and design option has a unique code. Add the code of your choice to the relevant blind type when ordering your products.

<STEPTABLE O="Product-1298895-1" OT="Product" TF="(No data)" TT="2853528" VC="Context4" VO="26405707" W="Approved" />

Operation guidance

The roller blind can be raised and lowered with a handle. It is delivered with stops that allow the roller blind to be set in three positions.
