VELUX translucent roller blind RFY

3 Year Guarantee

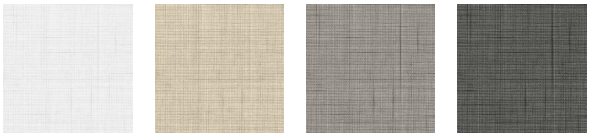

The VELUX translucent roller blind delivers flexible control of incoming daylight. It is primarily made from recycled materials which reduces its carbon footprint compared with other collections – making it more natural by design. The stepless design allows you to raise or lower the blind to where you want in order to match your personal need for incoming daylight or privacy in rooms where total blackout is not needed. VELUX translucent roller blinds fit perfectly with your VELUX roof windows. The cloth comes in four different nature-inspired colours that bring peace and tranquility directly into your home.

- Increase your privacy, reduce unwanted glare and control incoming sunlight exactly as you like.
- Slimmest profile design on the market lets more natural light in.
- Standard 100 by OEKO-TEX® certification guarantees the product is made without harmful substances.
- Colours that allow you to bring the peace and tranquility of nature directly into your home.
- Made from recycled materials, which reduces the carbon footprint significantly.
- Install in minutes - simply click on the blind in the pre-fitted brackets.
- Stepless positioning allows you to lower the blind to exactly where needed.
- Pull the blind easily to any position with the integrated control bar.
