VELUX duo blackout roller blind DFD

3 Year Guarantee

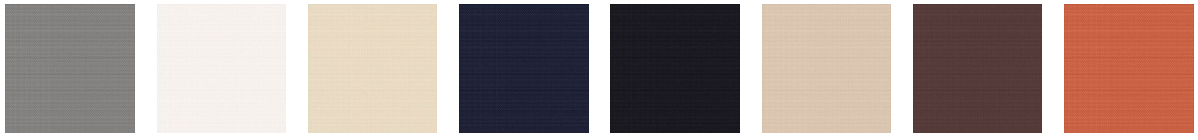

The VELUX duo blackout roller blind gives you the best of both worlds - a blackout blind for a good night's sleep and a pleated blind for diffusing incoming light. Ideal for bedrooms and children's rooms where the right light balance is necessary for play and sleep. Choose any colour blackout roller blind combined with a white pleated blind. VELUX blinds with white side rails fit perfectly with your white VELUX roof windows.

- An extremely high blackout effect gives you great conditions for a good night's sleep or an afternoon nap.
- Increase your privacy, reduce unwanted glare and control incoming sunlight exactly as you like.
- Slimmest profile design on the market lets more natural light in.
- Standard 100 by OEKO-TEX® certification guarantees the product is made without harmful substances.
- Install in minutes - simply click on the blind in the pre-fitted brackets.
- Elegant blind design with white side rails, which fit perfectly with white VELUX roof windows.
- Stepless positioning allows you to lower the blind to exactly where needed.
- Pull the blind easily to any position with the integrated control bar.

Operation guidance

The duo blackout blind comes with two control bars, one at the bottom and one between the cloths. The control bars can be operated independently which makes it possible to position the blind at any desired position for light control or blackout.
