

VELUX PRODUCT GUARANTEE

Thank you for buying a VELUX product. We are very proud of all that we produce and also that the great majority of VELUX product owners never need to rely on a VELUX Guarantee. If end-users¹⁾ do ever have a concern regarding a VELUX product, this Guarantee will help you to be clear about how we would be able to respond.

We should also say that in addition to this Guarantee, an end-user¹⁾ will have separate legal rights, which arise from the sale of a VELUX product. Those rights are not affected in any way by this Guarantee. Guidance in regard to any separate legal rights can be obtained from the seller or other suitable adviser.

In particular, our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure

VELUX may, at its option, refuse to provide any or all remedies under this Guarantee if any unauthorised attempt to repair or replace a covered VELUX product causes further damage. We advise that you do not attempt to repair or replace the VELUX product without VELUX authorisation and without which any claim regarding a defect which arises as a result shall be disclaimed.

It is the responsibility of the end-user¹⁾ to mitigate and minimize water damage or any other damage that a covered VELUX product may cause.
