

Important information on delivery times

Due to an exceptionally high order and shipping volume at present, deliveries of some products are currently impacted by delivery delays. We are doing all that we can to process and deliver all orders as quickly as possible and have already initiated various measures to speed up the processes. In the case of affected deliveries, we will inform you individually about the expected delivery date.

We thank you for your understanding and apologise for any inconvenience caused.

The following items currently have extended delivery times, the current valid delivery time will be confirmed directly in the order confirmation.
