

VELUX blackout roller blind DKY

VELUX®

The VELUX blackout roller blind lets you enjoy a good night's sleep by delivering the best blackout effect on the market. The blind creates a light-proof seal for total darkness anytime, day or night. It is primarily made from recycled materials which reduces its carbon footprint compared with other collections – making it more natural by design. The slimline design secures smooth operation and a stylish look. VELUX blackout roller blinds fit perfectly with your VELUX roof windows. The cloth comes in four different nature-inspired colours that bring peace and tranquility directly into your home.

- The best blackout on the market gives you complete darkness for a better night's sleep or an afternoon nap.
- Slimmest profile design on the market lets more natural light in.
- Standard 100 by OEKO-TEX® certification guarantees the product is made without harmful substances.
- Stepless positioning allows you to lower the blind to exactly where needed.
- Colours that allow you to bring the peace and tranquility of nature directly into your home.
- Made from recycled materials, which reduces the carbon footprint significantly.
- Install in minutes - simply click on the blind in the pre-fitted brackets.
- Pull the blind easily to any position with the integrated control bar.

Colours and patterns

VELUX interior blinds are available in a wide range of colours and designs. However, a few blind variants are only available in a limited range of colours. Each colour and design option has a unique code. Add the code of your choice to the relevant blind type when ordering your products.
