VELUX smoke exhaust CSJ, 30 cm

The VELUX staircase smoke exhaust dome is a simple smoke exhaust solution only for staircases. The dome meets 'Landesbauordnung' requirements and can also be opened to let in fresh air for comfort ventilation.

- Specially designed to meet "Landesbauordnung" for smoke exhaust in e.g. staircases.
- The openable Smoke Exhaust dome provides daily ventilation besides the smoke exhaust functionality.
- Compatible with the KFC 100J SHEV Control Unit for improved health and safety in your building.
- Use pre-mounted brackets for the hassle-free way to install an electrical motor.
- With the sturdy packaging, you can be sure your VELUX domes arrive on site safely and undamaged.
- Just like all other VELUX products, VELUX domes are easy to order, come with a range of spare parts and are covered by a reliable guarantee and after-sales service.
- For easy and convenient installation, the VELUX dome is delivered with few, large components.
