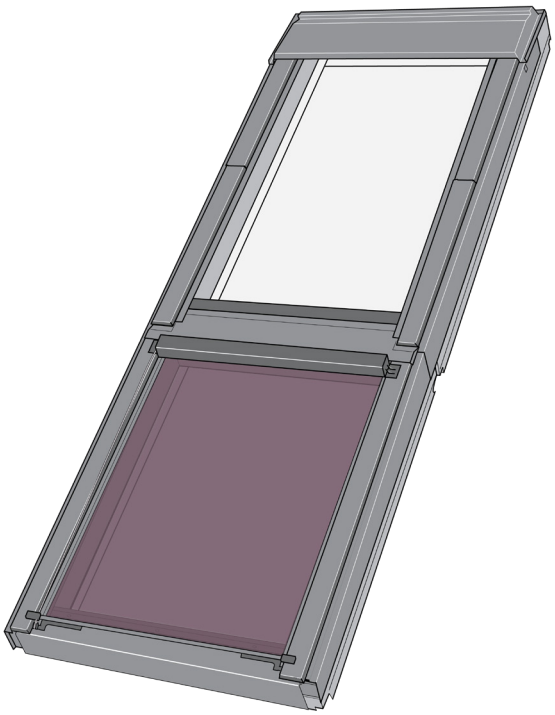
VELUX awning blind MAG



3 Year Guarantee

Keep your home cool by reducing solar heating. The VELUX awning blind blocks the sun's rays before they hit the window pane and helps keep your room cool on warm, sunny days. The awning blind is transparent, so you always can enjoy your views and natural light. Fits window element GIL/GIU and is easily installed from the inside.

- Heat protection keeps your room cool and increases indoor comfort.
- Preserve your outside view, reduce unwanted glare and incoming sunlight
- Designed to fit for quick and easy installation from the inside
- Maintenance-free design delivers peace of mind for the lifetime of your product.
- Manually operated blinds are a great choice for windows that are within reach.
- Built to last, the wind-resistant awning blind has been strength-tested in our testing facilities.

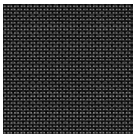
Colours and patterns

VELUX awning blind has a transparent mesh fabric. Add this fabric colour code to your awning blind type when you order your products.



5060

Operation guidance

The awning blind is operated by opening the upper window element and rolling the blind up or down with the cord. After operation, surplus cord is secured in the cord retainers on the outside of the awning blind top cover.
